Sean Porter
Software Engineer
Oronville, MI · 248-229-6330 | stporter2@gmail.com | website.com | https://github.com/stporter

Software engineer with a passion for creating products that are both efficient and will help further develop any program or system. My six year history of personal training coupled with my one year of underwriting experience has allowed me to gain excellent communication/collaboration skills, given me a strong analytical mindset, and has taught me to approach any situation with empathy.

SKILLS

Languages: HTML, CSS, Javascript, Python
Frameworks: React, Node.js, Express.js, Django
Databases: MongoDB, SQL

PROJECTS

Friends Trivia Game - a browser based trivia game testing users' wits and knowledge on the popular sitcom TV show, "Friends." Created using HTML, CSS, and Javascript.
